Event history: In 2017, MassHire GBWB presented the first ever Brockton Area Construction Career Day. 100 students from 6 different high schools attended and 20 organizations exhibited. Every year since, we have welcomed more schools, students, and vendors. This year, we have invited 14 area high schools and over 200 students. The 7th Annual Brockton Area Construction Career Day will continue the pattern of bringing together all stakeholders and students to help build our future workforce. Take advantage of the opportunity and help grow this event with us!
